

Product Datasheet

Product code: **128.SA.1**

Product type: General Purpose Tweezers

Made in: Switzerland

Description: Type 128 general purpose tweezers are suitable to applications which require holding a flat component firmly. The bent tips help to hold the component still during positioning and increase ergonomics. The line serration provides the handles with extra grip.

Tip description: bent, thin, squared

Coating/finishing: Sandblasted

Body material: Anti-Magnetic Anti-Acid Stainless Steel (SA)
