

Product Datasheet

Product code: 650.S.6

Product type: General Purpose Tweezers

Made in: Italy

Description: Type 650 general purpose tweezers are suitable to applications which require holding a component firmly. The double bent tips provide maximum visibility and increased ergonomics. The line serration provides the tips and the handles with extra grip, also preventing any possible slips. The alignment pin prevents the tips from intersecting.

Tip description: double bent, thick, beveled, strong, line serrated

Coating/finishing: Polished

Body material: Stainless Steel (S)
